Speaker's Profile

What Karen can do for your audiences:

Karen Sands has spent decades transforming conversations about **Positive Aging, the business of aging, women on the leading edge, multi generations and the future**, culminating in paving a more **vibrant, age-friendly way forward in the 21st century**. In ushering in *The Ageless Way*, she capitalizes on tomorrow's **trends today to illuminate a *new story***; a narrative fostering a life of **unlimited meaning, satisfaction, and impact** —as well as **money-making futures that matter**.

Sands shakes up limiting perceptions and outmoded thinking, transforming them into new possibilities to **turn aging and ageism on its head across generations**. Her work aims to catapult her audiences—**especially women**—to the forefront of the **business of aging as innovative social entrepreneurs, change-makers, visionary leaders, and discerning high-value consumers**. By bringing together the best practices of sustainable business with avant-garde approaches to timeless living and unlimited Ageless Aging, she prepares us to generate innovative, **intergenerational gero-businesses** and services—or, in other words, **“rock our AGE.”**

A **“Visionary with Wrinkles,”** CCE-BCC and ICF-MCC certified **Master and Mentor Coach**, TED support Master Coach, **leading GeroFuturistSM on the Longevity Economy, the Business of Aging & Ageless Aging**, and author
